Greenhouse Tours - BY APPOINTMENT

Come see the greenhouses...book on our website or give us a call to schedule! It is definitely worth the visit :)

GEOTHERMAL

GREENHOUSE KIT

36' - 48' KITS 17' WIDE!

$286/lin. ft

54' - 150' KITS 17' WIDE!

$234/lin. ft

36' - 48' kits will be sold with Liquid-to-Air systems ONLY.

KIT INFO

- **Kits are available in 17' wide.**
- The smallest kit we offer is 36' long.
- Our kits increase in length in 6' increments.
- **96'** and **102'** are the most efficient sizes.
- Cheaper than sourcing the same size of conventional greenhouse **PLUS** the added bonus of heating/cooling efficiency and **YEAR-ROUND** growing ability!

Prices subject to change at any time.

KIT CONTAINS:

- the complete metal frame
- polycarbonate sheeting
- all screws/washers & joints/plates to put it together
- a complete step-by-step guide
- unlimited tech support via phone & email
- a materials list of the items you need to purchase locally to finish your greenhouse build

KIT DOES NOT CONTAIN:

- items on the materials list like tubes, doors, etc. (varies depending on geothermal system you are using)
- blowers w/motors & thermostats for the air-to-air system tubes, HOWEVER we do keep them in stock...they are available for purchase as an option on the greenhouse kit

CONTACT US TO REQUEST YOUR QUOTE!

You can request via email at: info@greenhouseinthesnow.com

Via phone at 308-760-9718

Or on our website at

www.greenhouseinthesnow.com/request-a-quote

KIT INFO

(CONT.)

All kits are galvanized; this doubles or triples the lifetime of the greenhouse, depending on your humidity levels.

We use twin-wall polycarbonate warrantied for 15 years.

Freight and/or sales tax (depending on your location will be additional costs to your kit.

We also have many additional add-on options that are available for purchase!

Prices subject to change at any time.

LIQUID-TO-AIR
GEOTHERMAL EXCHANGE SYSTEM

PRICE INCLUDES SHIPPING & BASED ON GREENHOUSE SIZE

36' - 84' Kits	**$6,865.75**
90' - 126' Kits	**$7,698.86**
132' - 150' Kits	**$8,553.18**

- Operate geothermally, despite high water tables
- **Smaller trenches** than air-to-air system due to being all **within footprint of greenhouse**
- Closed-loop, utilizing nontoxic antifreeze, circulating it through a heat exchanger

Prices subject to change at any time.

AUTOMATIC VENT SYSTEM

$5,747.10*

NOTE: Does not include shipping. Shipping is calculated at time of purchase.

2 vents included per system

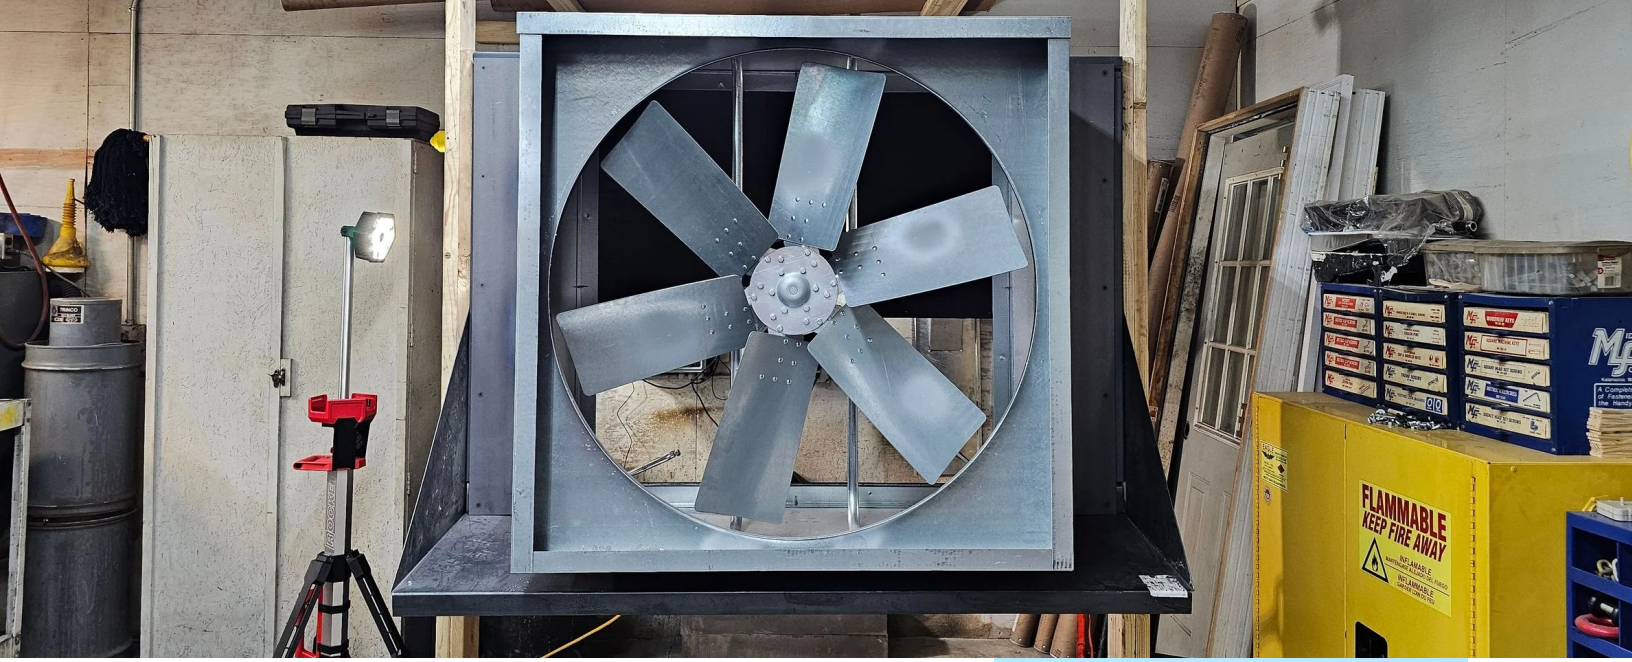

One vent goes on each end of greenhouse.

Controlled by thermostat (wifi compatible) to automatically open and shut as needed & comes with all controls.

Pan is not flat, so it sheds water.

NOTE:
The fans are not included with the vent but are available for purchase at an additional cost.

Prices subject to change at any time.

42" FAN ADAPTER

NEEDED W/EVAP COOLER & AUTOMATIC VENT

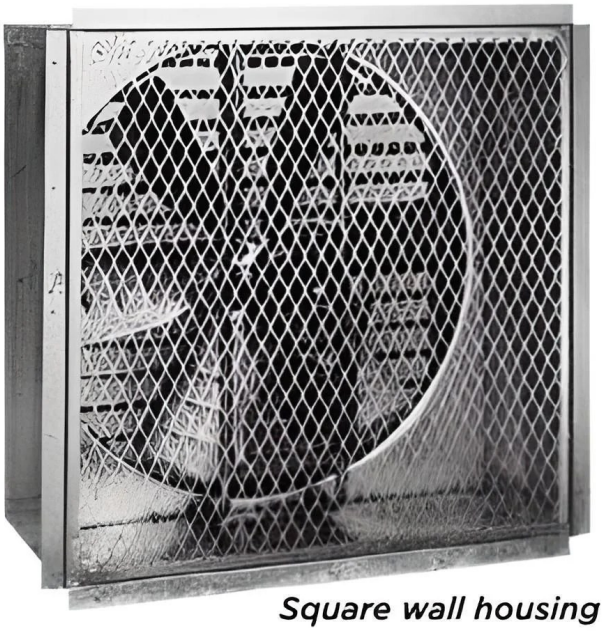

$267.50* - adapter

If purchasing an evaporative cooling system AND automatic vent, you will need a large fan to place in the automatic vent due to not being able to put the ventilation fans in the wall like normal.

NOTE: Does not include shipping. Shipping is calculated at time of purchase. Fan pictured is not included and must be purchased separately. See next page.

Prices subject to change at any time.

GREENHOUSE VENTILHATION FANS

Square wall housing

#3075	**$2,289.96**
#4275	**$2,706.94**

Galvanized Wall Fan - Square Wall Housing with Shutter

#3075 30" Blade Size.....3/4 HP Motor.....Free Flow CFM: 8,936

#4275 42" Blade Size.....3/4 HP Motor.....Free Flow CFM: 15,154

Price includes shipping!

Prices subject to change at any time.

EVAPORATIVE COOLING WALL

$3,199.75

Price includes shipping.

Uses combination of air, water, and evaporation to add cool, humid air to the greenhouse environment.

Ships straight from manufacturer.

The heat of the greenhouse is used to evaporate water, turning it into vapor and assisting in cooling the greenhouse.

Prices subject to change at any time.

RETAINING WALL PLANTERS

NOTE: Does not include shipping. Shipping is calculated at time of purchase.

$80.38*/strip
